Dear Mr. Secretary-General,

I am pleased to confirm that FoodCorp S.A. supports the ten principles of the Global Compact with respect to human rights, labour, environment and anti-corruption.

With this commitment, we express our intent to advance those principles within our sphere of influence, and we will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to take part in the activities of the UN Global Compact where appropriate and feasible – though, for instance, participation in Country/Local networks; involvement in specialized initiatives and workstreams; engagement in partnership projects and reviewing and providing commentary to participating companies on their communications on progress

Sincerely yours,

Andres F. Daroch
